"Papadimitri Film Production" is a creative film production company which was founded in 2008. But, despite this, the Papadimitri family's story dates back to the year 1930. Back then it only specialized in photography, but with the years it developed and started a tradition not only in photography but also in film making which made the Papadimitri brand in to what it is today. From 2008 we produced features films ,short film, documentaries and Tv Series.
